

Eastern Counties, Middleton Cup Trial

A few words before we embark on our 2022 campaign,
I start with a thank you to all the players who have nominated.

You will see posted with this message the first 2 ECL games and the MC Trial. In the coming weeks I will post the remaining games that are before the MC.

Everyone who has nominated will get a game and be under consideration for MC places.

There is I believe a great blend of youth from the White Rose Squad, Experienced MC players and pleasingly some new names who have nominated.

While we most definitely want to win the ECL, all the games are in essence a trial for the MC.

You will see on the Team sheets **times** for arrival, Team meetings, these will be more of a 'huddle'. I would also like pre game Team Photos at all games.
Please adhere to these times in order that things run smoothly pre game. Preparation is key.

Can you please confirm you will be playing by the means stated on the sheets, a simple 👍 will do.

Any questions please do not hesitate to ring me [07837894719](tel:07837894719)

Once again, thank you to everybody and I look forward to seeing you in the coming weeks.

Roger Evans
Manager
