## 300 Club in 2024

We are about to start a new season and are continuing to run the 300 Club in 2024. Once again we invite you to purchase your shares to support the county's young players. Shares costing £10 each can be purchased by individuals or by a club.

Half of the money raised will go towards the young players' development programme & half will be given away in prizes. **So** the more shares sold the more money to be given away in the Monthly Draw. All numbered shares sold are entered into a draw each month from May to October. Results will be posted on the website.

The county is very proud of the success of many of our young bowlers.

Please send your request to Mavis Hendry, **preferably by email and payment by BACS**: Martin, our treasurer will let Mavis know that your money has reached the account. Hertfordshire Bowls, Sort code: 30-94-17 A/C: 00151849 (ref 300 Club)

Otherwise by post accompanied with a cheque payable to **Hertfordshire Bowls**.
